Dear Larry,

Just a note from Dennis and myself to thank you for your effort in our behalf

After we interviewed a number of Brokers, we felt sure of your ability to produce a buyer for our business. Your professionalism, efficiency, persistence, and Knowledge of the total process came through for us. All promises were kept. And within a 3-month period, we were able to reach our goals.

We will be sure to recommend your firm and especially you to anyone who May be interested in a similar venture.

May you continue to excel to help other entrepreneurs reach a happy Conclusion to their successful careers.

Sincerely yours

Ron Bruno  
President
